CHARITY IN BLOOM

Through our Charity in Bloom program, Beautiful Blooms by Jen is proud to contribute 20% of the proceeds from this floral design to Bethany House for the month of October, in honor of Domestic Violence Awareness Month.

Domestic violence destroys lives. There's no easy escape, but there is hope.

Bethany House offers the security & time victims and their children need to rebuild their lives by providing long term safe shelter and advocacy services - all free of charge. Money donated from BBBJ will be used to meet resident emergency needs through their client assistance fund.
