BY JEN

When do I hire a florist?

As soon as you have a date, venue and colors. We recommend around a year before your date.

How much do wedding flowers cost?

The national average is 10-15% of your wedding budget. We believe that your wedding flowers should be as unique as you are. That's why we recommend scheduling a free consultation so we can get to know you and develop a floral plan that fits your budget and matches your dreams.

What sets Beautiful Blooms by Jen apart?

As the only Certified Florist in Northwest Ohio, we are there to serve you on your wedding day. From pinning corsages and boutonnieres, to setting up your ceremony and reception, we make your dream become a reality. We also have a wide variety of exclusive rental items, from vases to candelabras and everything in between.

How long does it take to receive a quote?

Beautiful Blooms by Jen provides a wedding worksheet for you to complete before your consultation. This allows us to complete your personalized quote ahead of time. You will leave your appointment with a quote in hand.

How do I schedule an appointment?

Please call 419-517-8821 or email jen@beautifulbloomsbyjen.com.
